

# HAP Workshop Topic 2 | The Non-Thermal Universe

## Friday, September 23, 2016

### Session 8: WP 2.1 Multi-messenger Astroparticle Physics (9:00 AM - 10:15 AM)

time	[id] title	presenter
9:00 AM	[62] Gravitational waves and the prospects for multi-messenger astronomy	DIETRICH, Tim
9:25 AM	[63] Overview of recent electron and positron results	EGBERTS, Kathrin
9:45 AM	[64] Detection of very hard gamma-ray spectrum from the TeV blazar Mrk 501	SHUKLA, Amit
10:00 AM	[66] HAP achievements & continuation	KEILHAUER, Bianca Dr KNAPP, Johannes
