

HAP Workshop Topic 2 | The Non-Thermal Universe

Wednesday, September 21, 2016

Session 1: General Overview & WP 2.1 Multi-messenger Astroparticle Physics (11:00 AM - 12:35 PM)

time	[id] title	presenter
11:00 AM	[19] Scientific Highlights of astroparticle, neutrino and gamma ray physics	VAN ELDIK, Christopher
11:30 AM	[20] Overview of gamma-ray related activities	OHM, Stefan
11:55 AM	[21] Overview of neutrino-related activities	FRANCKOWIAK, Anna
12:20 PM	[22] A stochastic acceleration model for the Fermi bubbles	MERTSCH, Philipp
