

# 26. Deutsche Physikerinnentagung 2022 (German Conference of Women in Physics)

## Sunday 27 November 2022

### Keynote Physics Talks 5: Particle Physics Theory - Prof. Ramona Gröber, University of Padova - Gaede-Hörsaal

(14:00-14:45)

time	[id]	title	presenter
14:00	[19]	Quo vadis, Higgs boson?	GROEBER, Ramona

### Keynote Physics Talks 5: Particle Physics Experiment - Prof. Monica Dunford, University of Heidelberg - Gaede-Hörsaal

(14:45-15:30)

time	[id]	title	presenter
14:45	[164]	Beyond particles - What the Higgs boson tells us about the universe	DUNFORD, Monica
