

## 26. Deutsche Physikerinnentagung 2022 (German Conference of Women in Physics)

### Saturday 26 November 2022

#### Physics and Profession 3 - Kleiner Hörsaal A (11:00-12:40)

time	[id] title	presenter
11:00	[159] Microchips for Megatrends – Work where tomorrow is made	CARLBERG, Miriam
11:20	[34] Introduction to Infineon and opportunities for female physicists	SCHAMONI, Hannah
11:40	[32] Investigation of structural and dynamical properties of thermoresponsive polymers	ROSI, Benedetta Petra
12:00	[160] Analytical. Quantitative. Tech – from physics to d-fine	JAHN, Constanze
12:20	[40] Exploring and shaping future technology at Bosch Research as a physicist	Mrs. SCHWARZ, Elisabeth Mrs. RIEDRICH-MOELLER, Janine
