Simon Hirlaender

Team lead:
Smart analytics and RL
IDA LAB
Artificial intelligence and human interfaces
Digital and analytical Sciences
University of Salzburg

Working in:
Artificial intelligence and machine learning, especially deep learning and reinforcement learning,
data science, statistics.
Research in industry and academia

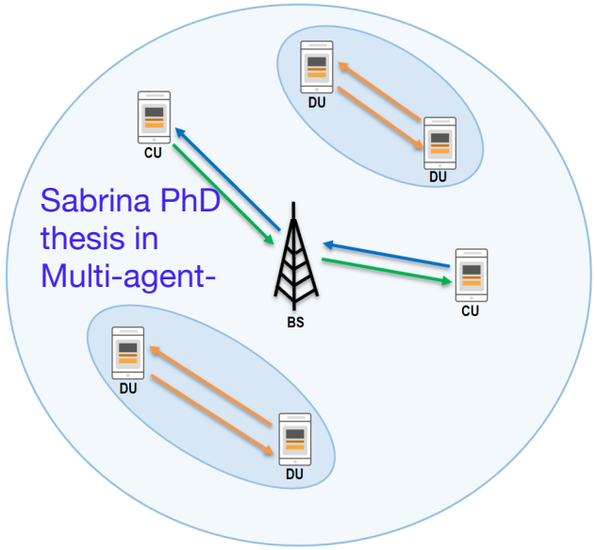
Interested in sample-efficient, safe and robust reinforcement algorithms.

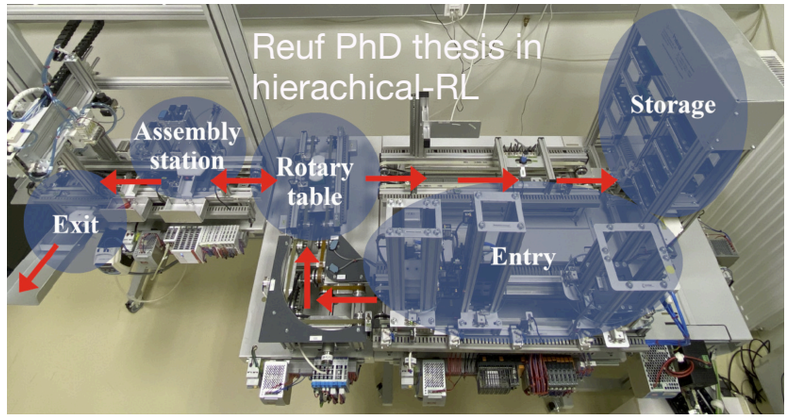
PhD @ CERN
Fellowship in SPS-OP
ML Coffee Cofounder (with Verena Kain)

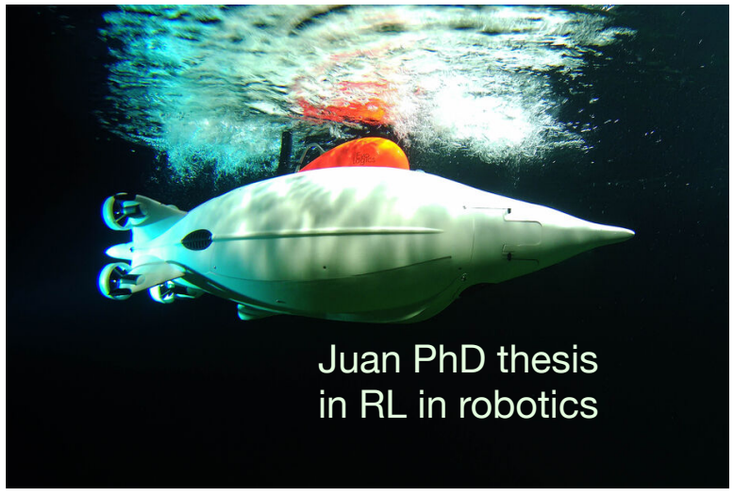
Lecturing in
Reinforcement Learning
Precision medicine

IDALAB
INTELLIGENT DATA ANALYTICS SALZBURG

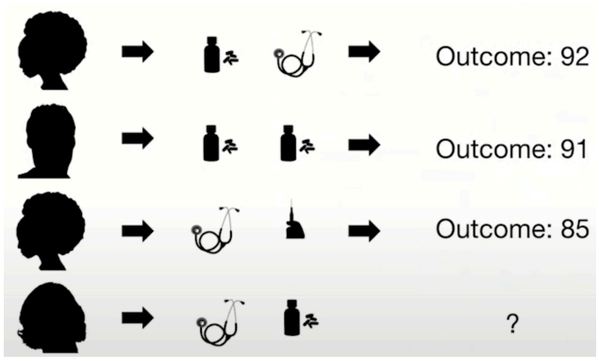
PARIS LODRON UNIVERSITÄT SALZBURG



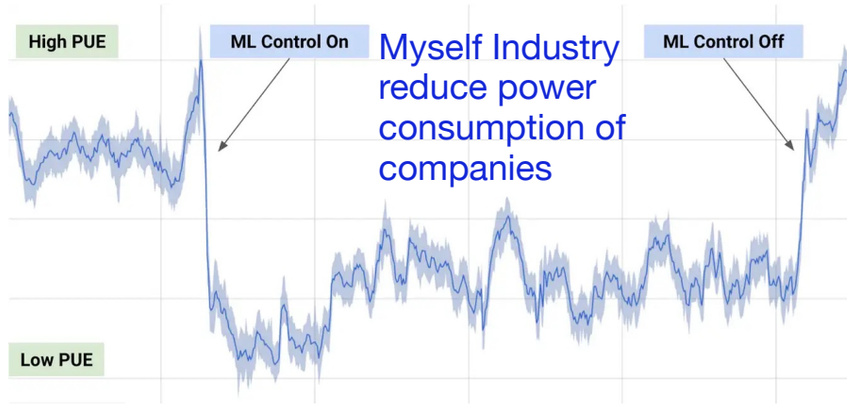




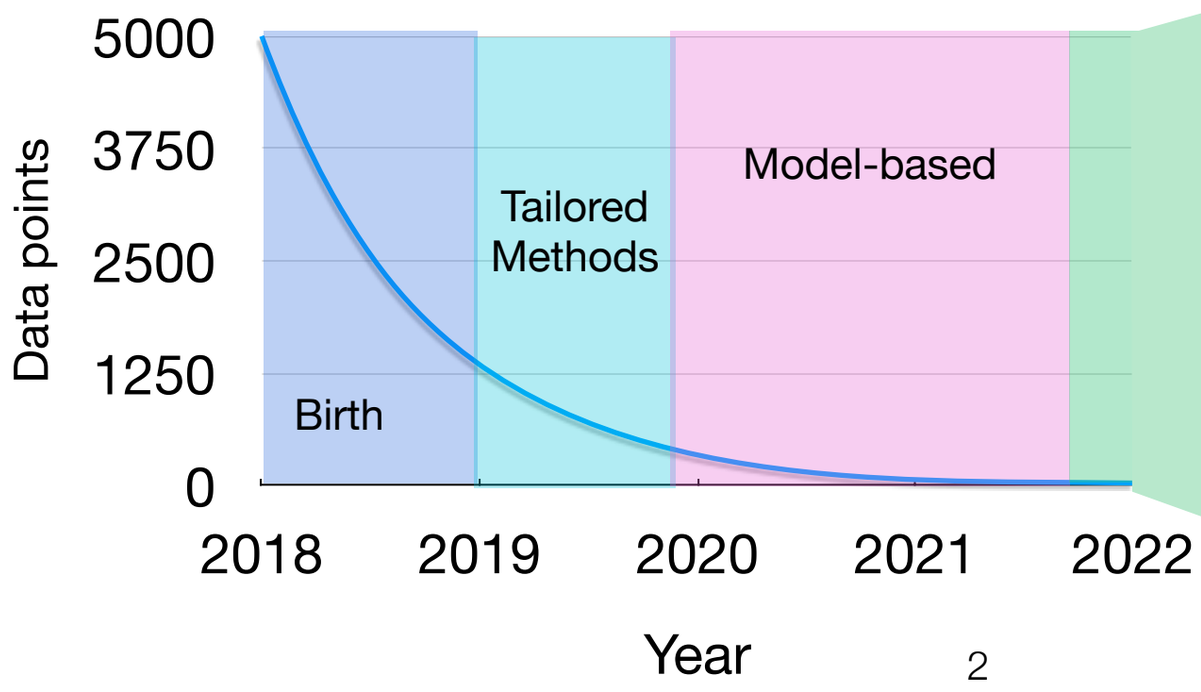
Sascha master thesis in
interpretable RL in medicine

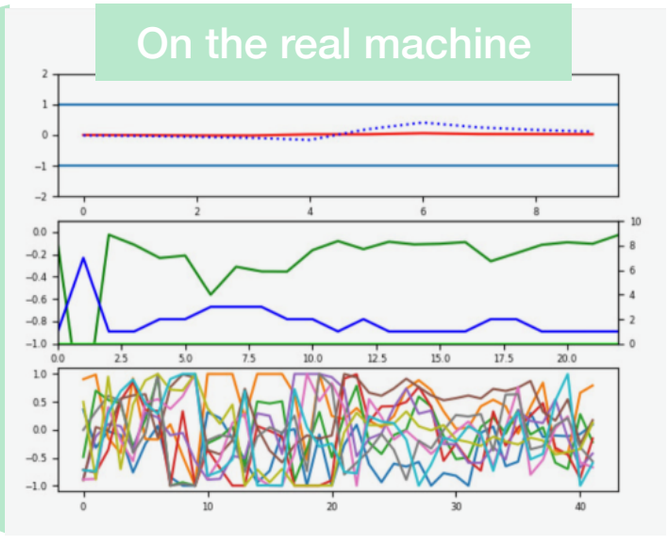


Lukas master thesis in Meta RL



Amount of data on AWAKE





Shown at IPAC 2023
