

I.FAST Workshop 2024 on Bunch-by-Bunch Feedback Systems and Related Beam Dynamics

Sunday, March 3, 2024 - Wednesday, March 6, 2024

KIT

Scientific Program

Joint experimental campaign on bunch-by-bunch feedback systems (5-6 March 2024 at KIT, KARA)

We are pleased to invite you to the joint experimental campaign with the bunch-by-bunch feedback system at KARA, which will take place on the following two days (the 5th and the 6th of March 2024) after the workshop. The topics of the experiments will be decided in advance and discussed in the workshop. People who want to participate in the experimental campaign are invited.

When registering, we ask you to bindingly select your respective wishes to participate in this and further options.

Place:

Entrance north (main entrance), KARA storage ring hall, KIT campus north
Hermann-von-Helmholtz-Platz 1, Bldg. 348
Eggenstein-Leopoldshafen

This project I.FAST has received funding from the European Union's Horizon 2020 Research and Innovation programme under Grant Agreement No 101004730.

The experimental campaign on bunch-by-bunch feedback systems (5-6 Mar 2024 at KIT) will be co-funded by the European Union within the EURO-LABS project. This project has received funding from the European Union's Horizon Europe Research and Innovation programme under Grant Agreement No 101057511 (EURO-LABS).
