

# Second Workshop on Physics and Applications of Magnetic Microcalorimeters

## Tuesday, December 19, 2023

### Application 2: Part 1 (9:00 AM - 10:30 AM)

| time     | [id] title   | presenter      |
|----------|--|----------------|
| 9:00 AM  | [14] AMoRE project and sensors                             | JEON, Jina     |
| 9:30 AM  | [15] MMC application in astroparticle physics              | KIM, Yong-Hamb |
| 10:00 AM | [16] Low-background X-ray detectors setups for (Baby-)IAXO | LOIDL, Martin  |

### Application 2: Part 2 (11:00 AM - 12:30 PM)

| time     | [id] title                                     | presenter |
|----------|--|-----------|
| 11:00 AM | [17] General discussion about MMC applications |           |
| 12:00 PM | [18] Extend lunch and/or general discussions   |           |
