

34th KATRIN Collaboration Meeting

Monday, February 19, 2018 - Saturday, February 24, 2018

Scientific Program

We hold the KATRIN CM #34 from

Monday 19th February (9am) to Wednesday 21st February (1pm).

As usual we have a mix of status reviews and outlooks to the future on hardware, software and analysis issues in the first three days.

So far no satellite workshops have been proposed, but will be announced as soon as information is available.
