

KSETA Topical Courses February/ March 2024

Tuesday, February 27, 2024

Electroweak symmetry breaking and physics of extended Higgs sectors: Part I (9:00 AM - 10:30 AM)

-Conveners: Georg Weiglein

Electroweak symmetry breaking and physics of extended Higgs sectors: Part II (10:45 AM - 12:15 PM)

-Conveners: Georg Weiglein

Wednesday, February 28, 2024

Electroweak symmetry breaking and physics of extended Higgs sectors: Part III (9:00 AM - 10:30 AM)

-Conveners: Georg Weiglein

Electroweak symmetry breaking and physics of extended Higgs sectors: Part IV (10:45 AM - 12:15 PM)

-Conveners: Georg Weiglein
