

# KSETA Topical Courses October 2024

## Monday, October 7, 2024

**Searching for new physics with gravitational waves: let's build an extreme-mass ratio inspiral waveform generator!: Part I**

**(9:00 AM - 12:15 PM)**

**-Conveners: Jens Boos**

# Tuesday, October 8, 2024

**Searching for new physics with gravitational waves: let's build an extreme-mass ratio inspiral waveform generator!: Part II**

**(9:00 AM - 12:15 PM)**

**-Conveners: Jens Boos**

# Thursday, October 10, 2024

## **Searching for new physics with gravitational waves: let's build an extreme-mass ratio inspiral waveform generator!: Part III (9:00 AM - 12:15 PM)**

-Conveners: Jens Boos
