

# I.FAST Workshop 2025 on Stability of Storage Ring Based Light Sources

## Tuesday, March 18, 2025

**Source position stability: part 4 - KARA large seminar room in building 348 (3:05 PM - 4:20 PM)**

time	[id] title	presenter
3:05 PM	[53] A pseudo-transparent injection scheme for Diamond-II	MARTIN, Ian
3:30 PM	[4] Experimental Application of Neural Network Fast Feedback Modeling at the Canadian Light Source	Dr SAADAT, Shervin
3:55 PM	[54] (Tentative) XBPM system development and applications	CAMARDA, Massimo
