

Kick-off meeting of the Collaborative Research Center TRR 257 "Particle Physics Phenomenology after the Higgs discovery"

Tuesday, March 19, 2019

EFT-1 - Hörsaal NTI (Nachrichtentechnik) (9:00 AM - 11:00 AM)

time	[id] title	presenter
9:00 AM	[12] Project A2a: the effective EW Lagrangian in the light of the LHC	T. PLEHN
9:30 AM	[13] Project A2b: vector-boson scattering and multi-boson production	W. KILIAN
10:00 AM	[14] Project B2a: automated calculations in SCET	G. BELL
10:30 AM	[15] Project B2b: Operator analysis of new physics in top related observables	S. WESTHOFF
