Second Workshop In this second meeting of the South West Algebra Network, young researchers in algebraic topics are encouraged to come along and discuss with one another, opening the possibilities for new collaboration. There will be three lectures by the invited speakers where current open problems and new directions will be presented. Invited speakers Peter Fiebig (Erlangen) Ghislain Fourier (Aachen) Daniel Tubbenhauer (Zürich) If you are interested in participating, please fill out the registration form and tell us whether you would like to contribute with a talk. In your talk we would like to encourage you to present your on-going work. Here is a link to the first meeting last year in Stuttgart. Where to sleep We recommend the following hotels. You have to book and pay by yourself. However, we have limited funding for local expenses, so please contact Jacinta before you book if you need financial support. Gastdozentenhaus (this is our most recommended option:) Hotel Erbprinzenhof (slightly further away from KIT, but the price includes a city transport ticket) Hotel am Markt (with a roof terrace:) Conference Dinner Our conference dinner will take place on Thursday the 27th of June at 18:00. The location is still to be confirmed. On Wednesday, there will be an informal get-together at 19:30 at the Oxford Pub. Organizers Anne Henke (Stuttgart) Steffen König (Stuttgart) Inga Paul (Stuttgart) Petra Schwer (Magdeburg) Jacinta Torres (Karlsruhe)
