

Betreff: Annual Meeting CRC: Final Bulletin

Datum: Donnerstag, 1. Oktober 2020 um 14:38:09 Mitteleuropäische Sommerzeit

Von: Mannel, Thomas, Prof. Dr.

Dear all,

From the side of the local organizers a few final instructions for the upcoming annual meeting of our CRC.

1. **Corona safety:** we rented a hall which can accommodate 65 people under corona Conditions, which means that a distance of 1.5m is guaranteed once people are seated. Once seated, there is no need to wear a mask, however, while going to your seat, you have to wear a mask. **I kindly ask everybody to bring her/his mask to cover mouth and nose.**
2. **We are by now fully booked**, i.e. we expect 65 people to come in person. We will have to count strictly. So, if somebody decides spontaneously to come without reservation, I cannot guarantee to admit her/him to the lecture hall.
3. The participants who asked for a **hotel accommodation** are booked in the "Holiday Inn Express" in Siegen, Koblenzer Straße 114. The bill is payed centrally, so you will not need to pay when you check out.
4. The **conference venue** is the "Spandauer Saal" next to the Leonhard Gläser Saal located in the building complex of the Siegerlandhalle in the Koblenzer Straße 151. This is walking distance from the hotel as well as form the train station "Siegen Hauptbahnhof". I add a few maps which might be useful
5. For those who attend remotely and plan to present remotely we will provide the necessary information in a separate mail

Please contact me in case you have further questions. I hope that you have a safe and healthy trip to Siegen,

Looking forward to our meeting,

Best regards,

Thomas
