

# ANNUAL MEETING OF THE CRC-TRR 257

6.-8. October 2020

- If you at any point develop COVID-19 symptoms you have to leave the conference site!!  
In that case: Please contact Arzu Ergüzel or Thomas Mannel
- Masks need to be worn inside the building. This applies also to the coffee breaks, unless you can safely keep a distance of 1.5 meters.
- The placement of the chairs in the lecture hall ensure a safe distance of 1.5 meters. Thus, once you are seated in the lecture hall, you may take off your mask
- If you forgot to bring a mask, you may get a (paper) mask at the conference desk next to the lecture hall

## This meeting is an experiment: “Hybrid meeting”

- Talks are imported / exported via video conference systems
- For the remote participants, the default setting is “microphone muted”
- Discussion should go after the talks: Q&A session “rules”
  - local question → local speaker:  
Speaker repeats for the remote participants
  - remote question → local speaker:  
Please raise your electronic hand, upon request activate your microphone.
  - local question → remote speaker:  
Please ask the question, the session chair should transmit it via her/his microphone
  - remote question → remote speaker:  
Please raise your electronic hand, upon request activate your microphone.
- Remote questions have priority
- In any case: Please state your name and institution, since not all remote participants may have video
